

January 2023

Dear Friend,

How excited I am that you are interested in joining us for our next mission's trip to **HIVAfrica 2023 to Kenya and Uganda from June 24 to July 12, 2023**. Both countries are unique in their culture and history within the continent of Africa and will provide us a great opportunity to serve the **HIV/AIDS** community. I can guarantee this to be a life-changing experience both for you and for those whom you will meet. Our Team will consist of medical and non-medical volunteers and each of us will offer a very personal expression of God's love to these very poor and needy people. After traveling together from Los Angeles to Nairobi, Kenya, we will serve together for 16 days by bus with at least five "outreaches" in five different villages in each country. We will end up near **Kampala, Uganda** then on to our safari. Please know that **YOU have much to offer** whether it's medical help, or playing with the kids, or passing out clothing, or giving out reading glasses, or giving a family a goat, or a hoe, a machete and all kinds of things that will bless them all. We will laugh and cry together and hug those sweet kids and share the hope only Jesus can give. I encourage you to pray about going, talk it over with your friends, your family, and your pastor.

If you are ready, please go to our website and under "**Missions**" fill-out the application and with it send in your required deposit. **This \$500 deposit is necessary to hold your place on the Team.** And remember, this journey is **tax-deductible for anyone contributing for you to go, including donations you make toward your own trip.** All monies must be in by **April 15, 2023**. With the deposit you will be assigned a number, **AKU23xx-0xx** to which donations for your trip will be held. We'll provide materials for helping you in reaching your goal.

The cost of **HIVAfrica 2023** trip is \$ **4,460 for adults and \$ 4,292 for kids 15 and under from Los Angeles!** This **includes** two meals daily, airfare and ground transportation, and accommodations in good **hotels in each country**. It also includes a 2-day safari to **Murchison Falls National Park in central Uganda** with many wild animals in a beautiful resort. But, not included are your personal passport, country visas (\$ 50 each country), transportation to Los Angeles or needed medical vaccinations (yellow fever). So, get your deposit in right away to **hold your spot**. We know they'll be lots of questions so please feel free to call me anytime at 949-350-9990.

As the Scripture says in James 1:27, "**Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress ...**". Would you please join us as we serve Him by serving those facing this pandemic of **HIV/AIDS**? Thank you and may God bless you.

In Him,

Executive Director/ Founder
