

LIVING HOPE

You're helping transform lives!

I've been looking forward to sitting down and writing to you this first letter of the year—and of a new decade!—especially as we look ahead to Easter . . .

There's just no time more filled with promise and purpose than the Easter season, which is why I'm so grateful for how your help has made HOPE possible for so many through *He Intends Victory*.

For orphaned and abandoned children, widows, families, and entire communities devastated by HIV/AIDS, the passion you show through your support is *transforming lives* in Christ's name—the entire point and purpose of Easter!

In fact, I feel there's no higher calling than meeting essential physical needs and sharing Jesus with "*the least of these*" (Matthew 25:40), which is why I have put together this personal version of Living Hope for you to find joy and inspiration right now.

I say "inspiration" because not only do I pray your soul leaps at hearing the Lord is being shared, but because I hope your heart is being led to reach *even more* lives in the days ahead!

Because the need is great, and time is short for so many God is placing in our care.

That's why we must prayerfully receive \$12,450 in the days leading up to Easter so we can offer food, clothing, medications, and care for people who desperately need it—while also sharing with them the love of Jesus and what he did for us on the cross!

As far as I know, *He Intends Victory* is the last Christian ministry in the world dedicated totally to serving people living with and affected by HIV/AIDS. And since so many feel that the *crisis is over*—that "all you do is take a pill and everything is back to normal"—it's harder than ever to receive the vital support necessary!

But I believe our family of friends, *like you*, know the truth: the effects of infection ripple outward into families, villages, cities, countries, and *continents*—for years and years!

So, I come to you now to tell you that every time you bring *He Intends Victory* before the Lord in your prayers . . . and every gift you share in Christ for those touched by HIV/AIDS—you're *helping transform lives*.

At Easter—and every other day—God calls us to join Him to "seek and to save," (Luke 19:10 NIV).

Because it's NOT over yet!

P.S. I've also enclosed a beautiful Bible Card for you to sign and share Christ with a child! **Simply return it with your Easter gift today**, and I'll make sure it gets to a little one *grateful for your love*.

SPONSOR A CHILD—FOR EASTER!

There's no better time than this to share compassion and hope in Christ!

Nothing is more important than the life of a child in need of Jesus and His love! And because of that, Christ-centered sponsorship programs like *He Intends Victory's* **Terry's Kids** and **Terry's Friends** are so vital for life-transformation.

But it's only possible to meet the needs of boys and girls affected and infected by HIV/AIDS with the support and sponsorship of hearts like yours for little ones like . . .

**TERRY'S
KIDS**

**Terry's
Friends**

TERRY'S KIDS!

Meet Fatima . . .

In Mozambique, Fatima's dad died of AIDS, leaving the family struggling just to survive. Her mother looks for any work she can find and still takes care of her children. Fatima does everything possible to help, but she knows going to school is crucial to leading them out of poverty. For her fees, uniform, and materials, *she knows how blessed she'd be to have a sponsor like you!*

Meet Miquitaio . . .

When Miquitaio's father died of AIDS, they lost their home in Mozambique, Africa and had to live on bare land. His mother sells mangos to afford a shelter and food for her children, but there's nothing left for school fees. Miquitaio dreams of an education so he can help his family—and a child sponsor like you to make it possible!

TERRY'S FRIENDS!

Meet Semira . .

From Ethiopia, Semira says, "I am living with my HIV+ mother. Everyday life is very difficult for us, as my mother is sick much of the time, and it's hard to have meals. My dream is to finish high school and continue my college studies, and I see myself graduating! So I pray for God to touch the heart of someone who reads my story to help me" . . . *a caring soul and child sponsor—like you!*

YOUR HELP IS SAVING LIVES—AT EASTER!

Easter is a wonderful time of year, with the promise of springtime, a big family meal, and celebrating renewal, rebirth, and Resurrection!

But in all the nations where *He Intends Victory* serves with your support, **Easter is just another day of suffering for so many.**

That's why your gifts and prayers are critical as this ministry we share rushes to meet the needs of children and families suffering in the wake of HIV/AIDS. For these lives on the line, we must reach out with everything we have to impact as many struggling lives as possible today . . .

So, if you ache for the orphans, the abandoned boys and girls, the widows and their kids, *know your special gift and prayers right now will help reach them in time and save lives this Easter!*

Thank you for being the hands of Jesus this season to reach the last, the least, and the lost. And please pray that your generosity will provide the help and hope necessary to all those affected and infected with HIV/AIDS who are counting on you.

When you send your Easter gift, be sure to also sign and return the enclosed Bible Card for a child in need to share a Bible story and inspire them with your love in Christ Jesus—at Easter!
